

Need Affordable Insulin Options?

We know that some people are struggling to afford their insulin. Let us help.

Novo Nordisk has expanded upon its existing affordability options to add new programs that can provide support for those who need help.

NovoCare®

Access to medicine should not be complicated. That's why NovoCare.com is your go-to resource for all of Novo Nordisk's patient affordability and access support.

How to get started:

Because there is no one solution and because each situation is different, we need to ask you some questions about yourself in order to get started.

Our promise is that the process will be:

- ✓ Quick with only the necessary questions.
- ✓ Easy to navigate with information about available options.
- ✓ Accessible from mobile devices or by visiting our website from your computer.

Do you prefer to speak with someone?

If so, we have a toll-free number you can call instead, and you'll have access to the same information and support.

Follow These Easy Steps

If you're a patient or caregiver:

Go to NovoCare.com and answer these 4 easy questions to get started. Answering these 4 questions accurately will yield the most personalized/tailored experience, but we can still provide you with information to help even if you are unsure.

1

Are you a patient, caregiver or healthcare provider?

2

What condition are you being treated for?

3

Which medicine are you interested in?

4

What type of prescription insurance plan do you have?

If you're a healthcare provider:

Go to NovoCare.com and answer these 2 simple questions to help your patients.

1

Are you a patient, caregiver or healthcare provider?

2

What therapy area are you prescribing for?

Learn about your options:

You can quickly answer a few questions on NovoCare® and get information on affordable options.

Patients can:

- ✓ Find out if the medicine you were prescribed is covered by your insurance and how much you might pay
- ✓ Register for available commercial copay savings cards.
- ✓ Access applications for our patient assistance programs.
- ✓ Learn about the My\$99Insulin program.
- ✓ Get information about where to find \$25 human insulin.
- ✓ Learn about our commitment to affordability, including our unbranded biologics.
- ✓ For patients at risk of rationing, request a free one-time immediate supply of insulin (to cover a one-month prescription, up to three vials or two packs of pens of Novo Nordisk insulin).

Healthcare professionals can also use NovoCare® for these services, as well as get support for prior authorization submissions.
